Guidelines for using for using Maskless lithography system (Microwriter- ML-3 Baby plus)

1. The allotted time for the deposition slot will be communicated via *email only* after receiving duly filled job request form (<https://www.psgias.ac.in/wp-content/uploads/2023/06/Revised-analysis-charges-PSGIAS.pdf>).
2. Prior registration with advance payment is mandatory to avail these facilities. External college, university, and industry users must pay the charges in advance before the characterization process is carried out. Payments made are non-refundable under any circumstances. Refer to user charges (<https://www.psgias.ac.in/wp-content/uploads/2023/05/Job-Requisition-form.pdf>).
3. Users must bring their mask design in .png format. If multi-layer patterning is required, it must be clearly indicated in the form, as charges may vary accordingly.
4. Assistance with mask design using Clewin software will be provided on a payment basis if needed.
