

PSG Institute of Advanced Studies hosted two insightful sessions:

- A presentation on "**Rapid Prototyping of DOAT Components**" by **Dr. V. Shanmugam**, Technology Director, DRDL, on 28th November 2024.
- A guest lecture on "**ARDB Proposal Writing**" by **Dr. G. Balu**, Chairman of the Aerodynamics Panel, ARDB, on 29th November 2024, tailored for faculty members and research scholars.

These sessions provided valuable knowledge and guidance for the academic and research community
